

NOV 10 2009

The Honorable Jennifer Granholm
Governor of Michigan
George W. Romney Building
Post Office Box 30013
Lansing, Michigan 48909

Dear Governor Granholm:

As part of Michigan's modification to the State Plan for Title I of the Workforce Investment Act (WIA) and the Wagner-Peyser Act, the State submitted waiver plans to request that the State's waivers of statutory and regulatory requirements under WIA be approved for the remainder of Program Year (PY) 2009 (copy enclosed). These requests are written in the format identified in WIA section 189(i)(4)(B) and 20 CFR 661.420(c) and appear to meet the standard for approval at 20 CFR 661.420(e). The following is the disposition of the State's submission. This action is taken under the Secretary's authority to waive certain requirements of WIA Title I, Subtitles B and E, and sections 8-10 of the Wagner-Peyser Act.

In a letter dated June 29, 2009, ETA granted Michigan temporary extensions of Michigan's waiver requests. The previous approval of the extensions is hereby terminated and replaced by decisions set forth in this letter. Unless otherwise indicated, all waiver approvals that follow apply to both WIA formula funds and funds made available under the American Recovery and Reinvestment Act of 2009 (ARRA).

Requested Waivers

Requested Waiver: Waiver of the provision at 20 CFR 663.530 that prescribes a time limit on the period of initial eligibility for training providers.

The State is requesting a waiver of the time limit on the period of initial eligibility of training providers provided at 20 CFR 663.530. The State is granted this waiver through June 30, 2010. Under the waiver, the State is allowed to postpone the determination of subsequent eligibility of training providers. The waiver also allows the State to provide an opportunity for training providers to re-enroll and be considered enrolled as initially eligible providers.

Requested Waiver: Waiver of WIA Section 134(a)(1)(A) to permit a portion of the funds reserved for rapid response activities to be used for incumbent worker training.

The State is requesting a waiver to permit use of rapid response funds for incumbent worker training. The State is granted this waiver through June 30, 2010. Under this waiver, the State is permitted to use up to 20 percent of rapid response funds for incumbent worker training only as part of a lay-off aversion strategy. ETA believes limiting incumbent worker training to layoff aversion is the best use of funds in the current economic climate where serving unemployed workers is a paramount responsibility of the workforce system. All training delivered under this waiver is restricted to skill attainment activities. The State is required to report performance outcomes for any incumbent workers served under this waiver in the Workforce Investment Act Standardized Record Data system (WIASRD). ETA Training and Employment Guidance Letter No. 14-08, Section 19, issued on March 18, 2009, explained that in order to apply this waiver to funds made available through ARRA, states needed to submit a detailed justification. Because record numbers of unemployed individuals continue to seek the services of the workforce system, ETA believes that the use of Recovery Act funds for incumbent worker training would be inappropriate, and these funds should be devoted to serving those participants without jobs. Therefore, this waiver does not apply to funds made available through ARRA.

Requested Waiver: Waiver of the reallocation provisions at WIA Sections 128(c)(2) and 133(c)(2), and 20 CFR 667.160.

The State is requesting a waiver of the reallocation provisions at WIA Sections 128(c)(2) and 133(c)(2), and 20 CFR 667.160. ETA denies this waiver. ETA believes that maintaining the statutory provisions of the law ensures that local areas have sufficient time to obligate and expend funds in a manner that best supports the needs of the customers in that area.

Requested Waiver: Waiver of 20 CFR 666 and 667.300(a) to reduce the collection of participant data for incumbent workers.

The State is requesting a waiver of the requirements to reduce the data collection burden for employers participating in WIA-funded incumbent worker training programs. The waiver permits the State to discontinue the collection of the following Workforce Investment Act Standardized Record Data (WIASRD) elements: single parent (117), unemployment compensation eligible status at participation (118), low income (119), TANF (120), other public assistance (121), homeless individual and/or runaway (125), and offender (126). The State is granted this waiver through June 30, 2010.

Requested Work-Flex Designation: Approval of the State's work-flex plan.

The State requests work-flex authority under WIA Section 192 and approval of its work-flex plan to use local funds for incumbent worker training, to permit transfer of funds

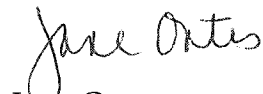

between the Adult and Dislocated Worker funding streams, to allow use of a sliding scale based on employer size for on-the-job training employer reimbursement, to allow a sliding scale based on employer size for the customized training employer contribution requirement, and to allow the State to exercise flexibility in the use of training providers on the Eligible Training Provider List.

We are granting an extension of the State's work-flex plan through June 30, 2010. Under its work-flex authority, the State may grant waivers of WIA provisions applicable to local areas in accordance with 20 CFR 661.430(a).

The approved waivers are incorporated by reference into the State's WIA Grant Agreement, as provided for under paragraph 3 of the executed Agreement, and this constitutes a modification of the State Plan. A copy of this letter should be filed with the State's WIA Grant Agreement and the approved State Plan. In addition, as required by TEGL No. 14-00, Change 3, the State should address the impact these waivers have had on the State's performance in the WIA annual performance report, due on October 1 of each year.

We look forward to continuing our partnership with you and achieving better workforce outcomes. If you have any questions related to the issues discussed above, please contact Byron Zuidema, the Regional Administrator for Region V, at 312-596-5403 or Zuidema.Byron@dol.gov.
